NEAL DOW and Ex-Governor St. John are now stamping Ohio and adding to the misery of the Republican bosses.

The Cleveland Plain Dealer says that the soldiers at the Home at Dayton are almost unanimously for Gov. Hoadly.

Hear that rebel yell: "I thank God that white-winged peace now broods over the land."—Gen'l Fitz Hugh Lee's Speech.

As to the Ohio regatta, it looks to the Chicago News as if the George Hoadly were about six knots to the windward and steadily gaining.

BLAINE is not coming to Ohio this year to help John Sherman out of his trouble. There is no love between Blaine and Sherman.

The czar said to the Bulgarian deputation on Saturday that he would endeavor to secure a peaceful solution of the Balkan difficulties.

The re-election of Gov. Hoadly, and of a Democratic Legislature in his support, are evidently assured events on the 13th of October.

The Green county (Pa.) Democrat thinks that Lot Wright's assault upon Gen. Durbin Ward, completes the infamy of Wright's record.

The Republican party has only one prop to stand on in this campaign, and that is John Sherman's bloody shirt.

TEXAS Siftings: John Sherman raised the bloody shirt as an engine in Ohio, but there doesn't seem to be popular breeze enough to keep it aloft.

MARY convicts employed on a Railroad in Eastern Texas attempted to escape on Sunday. They were fired upon by the guards and several killed.

The story that President Cleveland favors the Republican ticket in New York, is the very latest foolish lie to be found in the Republican papers.

The Sherman House, at Fargo, D. T., was entirely consumed by fire early Friday morning. The guests managed their escape in the scantiest clothing.

The Philadelphia Times says: Murat Halstead is one of the leaders that it is very fortunate to have around—that is, it is very fortunate for the other side.

The Portsmouth Times says that many of the factories of that city are running eleven hours a day. This certainly looks like a revival of good times.

At Montreal, the small-pox epidemic continues, with no sign of abatement. The Quebec Municipal Council has enforced compulsory vaccination in that city.

WHAT hurts the Republican party? "I thank God that no vestige of carpet-bagging or sawdust government remains to vex the people."—Gen. Fitz Lee's speech.

ER-GOD, MOSES, one of the carpet-baggers who plundered the people of South Carolina, has been sentenced to the Massachusetts Penitentiary for three years for forgery.

## Delano Against Sherman.

After John Sherman grossly betrayed the wool-growers of Ohio, Hon. Columbus Delano publicly denounced him, in a speech delivered in the Mt. Vernon Court House.

In that speech, it will be remembered, Mr. Delano gave an account of his visit to Washington, in behalf of the wool-growers, of which numerous class he is himself an active and honorable member.

He declared that the manufacturers of woolen goods, in New England, sent paid lobbyists to Washington, who, by the liberal use of money, carried through legislation as their interest and their avarice dictated, creating free trade on wool, for the farmer, and protection on manufactured goods, for the manufacturer.

In that speech Mr. Delano said further that the wool-growers could expect no favors from Congress, unless they, too, hired lobbyists, and sent them to Washington with plenty of money, to buy such legislation as they needed and should have.

The millionaire manufacturers could well afford to spend a large sum of money to secure such protective laws as they desired and demanded; and John Sherman, although representing a wool-growing constituency, coldly turned his icy back upon them, and became the willing defender and representative of New England, and of its SINGLE VOTE, ROBBED THE WOOL-GROWERS OF OHIO OF MILLIONS OF DOLLARS, to enrich the bloated nabobs of Massachusetts!

If the farmers of Ohio, and especially of Knox county, wish to throw off the yoke of oppression fastened upon their necks by the Protection Lords of New England, through the acts of their servile tool, John Sherman, they must go to the polls next Tuesday and declare by their votes, solemnly registered, that JOHN SHERMAN SHALL RETIRE FROM THE U. S. SENATE!

To accomplish this result, every farmer and wool-grower, without regard to party, should vote for that honest man and good citizen, John S. Braddock, for Representative to our State Legislature.

## THE TARIFF ON WOOL.

Who caused the reduction of the tariff on wool? John Sherman.

Who now asks wool-growers to send him back to the Senate? John Sherman.

How did Sherman cause the tariff on wool to be cut down, while the tariff on woolen goods was kept up?

The Republicans had a majority of one vote in the Senate, and that vote was cast by John Sherman in favor of the bill which reduced the tariff on wool, and kept up the tariff on woolens. The bill made free trade on wool; and high protection on woolen goods.

Had Sherman voted against the bill, it would have been defeated, and the farmers of Ohio would have been three million dollars richer to-day than they now are.

Sherman himself was in favor of reducing the tariff on wool ten per cent; and he declared in the Senate—as is shown by the Congressional Record—that such would be the effect of an amendment offered by him; but a ten per cent. reduction did not satisfy the Republican Senate and the New England manufacturers, and Sherman voted with the manufacturers.

Do the wool-growers of Knox county desire to be shorn still closer? If they do, let them vote for Thomas Odbert, who will vote to send Sherman back to the Senate in the interest of New England and her selfish and aristocratic woolen manufacturers.

## A Brutal and Fiendish Letter.

We publish on the first page of this week's BANNER a letter written by Murat Halstead, editor of the Cincinnati Commercial in 1863, to Gov. Chase, then Secretary of the Treasury, relative to the management of the war, in which the most brutal and fiendish sentiments are uttered in regard to President Lincoln, General Grant and others, which, expressed by a Democrat at that time, would have caused his arrest and imprisonment in Fort Lafayette or some other Government bastille. In this letter Halstead paid his compliments to "the foolish, drunken, stupid Grant," and described him as "an ass," who did not know "how to organize, control or fight an army." The wrathful writer also referred to Lincoln's "weak, pliant, pliant, pliant disposition," and added that "there are persons who would feel that it was doing God service to kill him, if it were not feared that Hamelin is a bigger fool than he is."

This suggestion of the murder of Lincoln was the same fiendish spirit that governed the assassin Booth; and probably if an opportunity had been offered the Cincinnati fiend, in some dark spot, he would have committed the same act that Booth did publicly in a crowded theater.

This man Halstead who spoke in such contemptuous terms of the "nigger" then, is now seeking to array the "nigger" against the white man in the South, and is doing everything in his power to keep alive the bitterness and animosity that existed between the North and South during the darkest days of the rebellion.

John Sherman is to-day no less violent in his denunciations of the South than Murat Halstead, and Sherman is Halstead's candidate for United States Senator.

If you wish to rebuke these agitators and disturbers of the peace and prevent the return of John Sherman to the United States Senate, vote for John S. Braddock for Representative.

The Wooster Jacksonian says John Sherman is doing a good deal of howling about the disfranchisement of colored people of the South. He overlooked the Republican State of Rhode Island with a population of 300,000. At the last Presidential election but 31,421 votes were cast. In that State it is necessary for a citizen to own at least \$134 worth of real estate before he can exercise the right of franchise, and there are fourteen thousand white citizens in the State who do not own \$134 worth of real estate, consequently they cannot vote. Were such a law enacted in any Southern State what a howl would go up from such patriots as John Sherman, Billy McKinley and Benny Foraker.

## A Shameless Falsehood.

The following appeared in the Cincinnati Commercial Gazette of Saturday, purporting to be telegraphed from Mt. Vernon:

MT. VERNON, O., October 2.—At a recent caucus of the Democratic leaders here it was determined to abandon all of the ticket save John S. Braddock, Democratic candidate for Representative, and a desperate fight is now being made for him. A secret order has been issued from headquarters to trade any and all candidates for him. In addition to this a printed circular has been secretly sent out by the County Executive Committee all over the county to Democrats, demanding that all its energies be concentrated toward the election of Braddock. Henceforth it is to be Braddock or nothing.

It is true that the Democracy of Knox county are making earnest efforts to elect Mr. Braddock, and they feel entire confidence that they will succeed; but to say that a "secret order" has been issued from headquarters to trade any and all candidates for him, is a shameless and senseless falsehood, without the slightest shadow of foundation. The Democrats do not need to "trade" votes. They mean to elect every man on their excellent ticket, and they will do it. The story was published here, and the favor will be returned by Republicans voting "for any and all candidates" on the Democratic ticket. We are glad to know that the Democrats thus approached spurn and repudiate the insulting proposition.

Once more we say, vote for John S. Braddock, and every man on the Democratic ticket, WITHOUT A SCRATCH. Indignantly reject every proposition from Odbert's tools, hired traitors, who would "trade" off any man on the Democratic ticket.

"Vote the ticket as Harper prints it."

"WOOL-GROWERS, vote for Thomas Odbert," says one of the Republican papers, "it is the first round in the fight for the restoration of the duty of 67." In the name of the prophet, how can Tom Odbert restore the tariff of 1867? If elected, (which is not at all probable) Odbert will vote for John Sherman, the enemy of the wool-growers of Ohio, who voted to destroy the wool tariff of 1867, by which the farmers of Ohio have been robbed of a million and a half of dollars every year, in the interest of the New England manufacturers. The way to restore the duty on wool is to keep John Sherman out of the Senate.

Vote for John S. Braddock.

SOME of the papers think that Murat Halstead was "insane" in 1863, when he wrote the "assassin letter" to Secretary Chase. Is he any less "insane" now, in dealing out such violent tirades of abuse against the South? Halstead is the acknowledged Republican leader in Ohio, and is laboring to send his Republican party in the West, and is slandering the South, John Sherman, to the United States Senate.

The best way to condemn these distortions of the facts is to vote for John S. Braddock for Representative.

The difference between Halstead, the Republican leader, and Wilkes Booth, the assassin, is this: Booth had the moral courage to carry out his threats, while Halstead, being a brutal coward, thought that some one else than himself would be "doing God's service to kill him." (Lincoln) Halstead is still doing the acknowledged organ of the Republican party in the West, and is whipping John Sherman for United States Senator.

It is announced that Clayton McMichael, (Rep.) who has been retained as Marshal of the District of Columbia ever since the 4th of March, announces that he will "retire" on the first of November. The office is worth \$8,000 per year, the principal duties being to cut up at "state dinners," when distinguished diplomats and titled foreigners are entertained at the White House.

AFTER considerable wriggling on the part of the Republican State Executive Committee, they have at length been forced to allow their candidate for Governor, Judge Foraker, to meet Governor Hoadly in joint debate. Two meetings have been agreed upon—one at Toledo, October 8th, and the other at Cincinnati, October 10th. Hoadly will travel the arduous straddle all the way.

Mrs. MARIA KOCH, wife of Dr. Koch, editor of the German paper in Jersey City fell violently in love with one Benson, a printer in her husband's office, and as they could not legally live together, they concluded to die together. They were found lying side by side in Central Park, New York, Friday night, with bullet holes in their heads, and an empty pistol between them.

JOHN S. WISK, the Republican Representative candidate for Governor in Virginia, had a quarrel with J. Ambler Smith, also a Republican, but not a supporter of Wisk, in the cars between Alexandria and Washington, on Friday last, when Wisk struck Smith a violent blow in the face. Smith sent Wisk a challenge to fight a duel, but the exulted declined.

A CLEVELAND paper says: "When John Sherman entered the lower house of Congress thirty years ago, he was not worth to exceed a few thousand dollars. Mr. Sherman has continuously held office ever since, and to-day is worth over one million and a half of dollars. How did he make it? What a silly question for any man to ask."

FARMERS and wool-growers, don't let John Sherman's cunning tool, Thomas Odbert, pull the wool over your eyes. He can do nothing toward restoring the wool tariff, his patron, John Sherman, destroyed. Place no confidence in anything he says.

Vote for John S. Braddock.

At Lynchburg, Va., on Wednesday last, there was a large State Convention of colored men, who declared their independence of the Republican party, and avowed their determination to support the Democratic ticket. They used a ringing address to their friends throughout the State.

JOHN SHERMAN'S single vote destroyed the protective wool-tariff of 1867, and left the Ohio wool-growers at the mercy of the cornorant New England manufacturers.

Vote for John S. Braddock.

We think the Republicans of Ohio are becoming thoroughly disgusted with such leaders as John Sherman and Murat Halstead.

Knox county gave Gov. Hoadly 282 majority two years ago. The Democrats should increase this majority to 500 this year.

FORAKER, feeling conscious of his defeat, has become violent and abusive. His ill-temper now excites derision and contempt.

THERE has been a slight advance in the price of wool—no thanks to John Sherman for it, however.

When John Sherman moved into his elegant new palatial residence in Washington, he had his old home repaired and refitted, and also the stable attached thereto, so that they would rent to better advantage; but instead of hiring outside mechanics to do the work, he had the skilled laborers employed in the Treasury Department to do it, and they were paid by the Government.

The facts stated were fully established before the Senatorial Committee appointed to investigate the matter—the witnesses being the very men who did the work! The details of this testimony were given in the Cincinnati Enquirer of Saturday.

Keep John Sherman out of the Senate by voting for John S. Braddock.

The Democracy of Hamilton county feel very confident that they will elect their entire ticket; and if so, the Legislature will be Democratic beyond a peradventure. The last Legislature was Democratic without Hamilton county, and with proper efforts the Democracy carry over county they did two years ago, and perhaps more. The prospects of having a Democratic United States Senator, to succeed John Sherman, the enemy of the wool-growers of Ohio, is certainly cheering.

Vote for John S. Braddock.

"PRIVATE" Daltell, the Republican crank, writes to his brother crank of the Cleveland Leader, and says the point is to make the people think the "hard times" are attributable to the Democratic party. Of course, as the Democracy party has only been in power a little over six months, they should be held responsible for all the legislation and maladministration of the last twenty-four years, during which time the Republicans have had the President.

The farmers and wool-growers of Knox county who have been robbed by John Sherman's treacherous course in the Senate, in opposition to their interests, have now a glorious opportunity to make him feel the full force of their dissatisfaction. The way to do it is to vote against Sherman's man, Tom Odbert, and in favor of their true and reliable friend, John S. Braddock, for the Legislature.

JOHN SHERMAN has proven himself to be the enemy of the wool-growers of Ohio, and they should strike back through the ballot-box.

Vote for John S. Braddock.

JOHN McLEAVE declares positively that he is not a candidate for United States Senator, but is in favor of Judge Thurman for that position, in common with every other Democrat in Ohio.

All this talk about McLeave's candidacy is a ridiculous scarecrow—"a weak invention of the enemy"—to divert attention from the ungrateful enemy of the wool-growers of Ohio—John Sherman.

The Cleveland Plain Dealer appropriately remarks that Judge Foraker does not like the colored people. He ran away from Oberlin rather than speak from the same platform with what Halstead calls "a nigger," and now he declines to debate with Madison Teller, a colored man.

The boiler in the works of Clark & Co., Pittsburgh, known as the Solar Iron Company, exploded with terrible force, on Friday morning last, as the night force of hands were about quitting work. Three persons were fatally scalded, and fourteen were badly burned.

The Cleveland Leader, in a column article, makes a pitiful appeal to the Prohibitionists to vote the Republican ticket, but it will all be vain. If the Republicans are the "only true Prohibitionists," as they claim, why don't they vote the Prohibition ticket, like little men?

The way to bring about lasting peace, and a revival of business all over the country, is to down the Republican party, and especially to down the agitator and mischief-maker, John Sherman.

The first step in this good work is to vote for John S. Braddock.

From every part of Ohio we have the most cheering assurances of Governor Hoadly's re-election. The only question seems to be the size of his majority. Democrats of Old Knox! do your part of the good work of keeping Ohio in the Democratic column.

JOHN SHERMAN'S single vote legislates one million and a half dollars every year out of the pockets of the wool-growers of Ohio.

Vote for John S. Braddock.

The Urbana Democrat asks the pertinent question: "Isn't thirty years about long enough for the people of Ohio to be ridden over by John Sherman in Congress? Surely they can get along without Long for the next six years in the U. S. Senate."

The great stallion race between Harry Wilkes and Phallas, at Cleveland, on Friday, for a purse of \$2,000 and 90 per cent. of the gate receipts, was won by Wilkes in three straight heats, to the great surprise of every one. Time—2:18, 2:24, 2:19.

Let every Democrat vote a clean, unscrupulous ticket. That is the way to keep bloody-shirt John Sherman, the enemy of the North as well as the South, the enemy of the peace, happiness and prosperity of the whole country, out of the U. S. Senate.

COLUMBUS Times: Gov. Hoadly and family have taken possession of their new home, the Smith residence, on Broadway. This looks as though the Governor had a pretty strong faith in a January next.

The Dayton Journal (Rep.) calls Judge Geddes "Mother Geddes," and a "Methodist exhorter." But you have no Republican who is able to answer the facts and arguments of the Mansfield Congressman. That's what's the matter.

The Canton Democrat says: "With Foraker rattled and dodging the only real issue before the people, and John Sherman ordered to discontinue the bloody-shirt monopoly, the grand old party is in pretty bad shape in Ohio."

Five thousand people attended an enthusiastic meeting for Ireland's liberation, at Chicago, on Saturday night, and \$10,000 were promptly subscribed to the Parnell fund. This looks as if the Irish American people were in earnest.

JOHN SHERMAN'S hypocritical promises now, when he is moving heaven and earth to get back into the Senate, should have no weight with those he deceived and betrayed.

Vote for John S. Braddock.

"GRANT'S ghost will haunt the man who will disturb the peace of the Union," said Parnes Newman last Sunday in his discourse on Grant at Plymouth church. What horrid night visions John Sherman must now be enduring.

HON. M. D. HARTZ, Democratic candidate for Senator in the Mansfield district, says: "I am in favor of a tariff that will raise the price of labor."

FIVE days more will see the end of John Sherman's "civil war," after which John will be placed on a stretcher, wrapped in a bloody-shirt, and silently and solemnly carried away to the sea of oblivion.

"By the struggling moonbeam's misty light And the lanterns dimly burning."

JOHN SHERMAN'S tirades against the South, are unparaphrased as they are brutal and uncalculated for the business interests of Ohio and the whole country. But what does Sherman for this, when his sole purpose is to secure six years more of Senatorial life.

DEMOCRATS, keep in mind that every candidate on the Democratic ticket is worthy of your hearty support. Do all in your power to secure their election, and don't believe any falsehoods that may be circulated against any of them by the Republican candidates and managers.

If Tom Odbert "never bought a pound of wool in the world except upon commission," as stated by his organ, then why did he seek to commit a penitentiary offence by wanting to get money illegally out of the county treasury?

Wool men, don't you forget it! Every vote cast for Tom Odbert is a vote for your arch enemy, John Sherman, who wants to go back to the Senate, again to betray you.

Vote for John S. Braddock.

The Vincennes (Ind.) Sun understands the case to a nicety. It says: The case in Ohio may be stated fairly as Big Brains vs. Little Brains. The Republicans are for the defendant, the Democracy for the plaintiff.

DAVID VINTON, aged seventy-five, a farmer of Southbridge, Mass., while intoxicated, assaulted his son David, aged 30. The latter struck his father, as he claims, in self-defence, killing him instantly.

HON. FRED. HESSAUREK, chief editor and proprietor of the Cincinnati Volksblatt, and formerly U. S. Minister in South America, died in Paris early Saturday morning, after a lingering illness.

CAPTAIN JOHN LANE and John Lamb, neighboring farmers of Hancock county, Tenn., became involved in an altercation, which resulted in the latter shooting and instantly killing Lane.

J. M. HAYES, ex-treasurer of the Rutland (Vt.) Railroad Company, is on trial at Rutland, charged with defrauding the company of the shareholders of the road by an overuse of stock.

SOME of the Republican leaders are cursing assassin Halstead, and wishing that some person would visit the same punishment upon him that he sought to inflict upon President Lincoln.

PEOPLE who do not want another civil war, but desire peace and prosperity in this country, should insist upon John Sherman's retrial to private life.

Vote for John S. Braddock.

LET every Democrat remember, that his vote may keep bloody-shirt John Sherman out of the United States Senate.

Vote for John S. Braddock.

The Republicans of the 18th and 19th Districts, have nominated James O. Grimes, of Guernsey county, and Edward Lybarger, of Cuyahoga, as candidates for the State Senate.

The Democratic Central Committee of Ross county have made affidavit that the county of Ross is indebted to the U. S. for \$2,800 on that county is an unqualified lie.

A genuine crusade has been orga-  
nized in Trenton, N. J., against the ju-  
venile cigarette smokers. The public  
school teachers have taken the matter  
in hand and their efforts promise good  
results. Whenever the parents can be  
made to understand the prevalence and  
danger of this habit among boys, we  
may hope for reform. Some of the lads  
in Trenton, not over twelve, have be-  
come, it is said, slaves to tobacco.

was completely cured, gaining in flesh  
50 lbs. in a few months.

metics, but whoever has seen them  
must have noticed the bright, clear com-  
plexion of the Sisters. There is none  
of that tinge of yellow about the eyes,  
no dark spots on the skin, no blotches  
bright and cheerful because they enjoy  
good health, they maintain perfect dig-  
estion by the use of the Shaker Extract  
of Roots (Singer's Syrup).

John Connor writes from Roscoe, Mo.,  
Aug. 16, 1884: "I must say a word or  
two in regard to your medicine. About  
four years ago I was taken down with a  
burning in my stomach and rheumatism.  
I began growing weak and could not  
eat anything. I tried everything. I  
could hear of but could not find any  
help. I was induced to try a bottle of  
the Shaker Extract of Roots, and I  
commenced getting better at once. I  
have used six bottles, and now I can  
eat anything without injuring me. I  
gladly recommend it to anyone suffer-  
ing with dyspepsia. The Shaker Tar

A Lady's Opinion.  
Mrs. Geo. Gilbert, Bryan, Ohio, writes:  
"Dr. S. B. HARTMAN & Co., Columbus,  
Ohio: I commenced on the fifth bottle of  
your PERUNA this morning, and should  
say as soon think of doing without my  
meals as without my medicine. I  
have been doctoring for about four  
years, and kept getting worse all the  
time and was just giving up in despair  
when I got one of your books, 'The Ills  
of Life.' I was in bed at the time I  
read and re-read your book and felt like  
trying your medicine. My folks thought  
there was no use in trying anything more,  
but I was too far gone, and might as well  
make up my mind to die. I told them  
PERUNA was the medicine I needed, and  
intended to try a bottle. It proved a suc-  
cess in breaking the chills, and if it had  
not done one thing more, I would have  
been satisfied. But it has done more, and  
I feel like another person. Everybody  
that sees me is surprised to see me looking  
so well, as they all thought I was dying  
with consumption, and now my own folks  
have as much to say for the PERUNA as  
I. I recommend it to everybody I see.  
There were two of our neighbors in yester-  
day inquiring about the PERUNA. I  
gave them one of your books to read, told  
her to bring it back, as I prized it very high-  
ly. The other got the name of the PER-  
UNA to send to him in Chicago. He is a  
telegraph operator. My disease is  
something similar to Mrs. Milo Ingram's,  
though nothing compared to being so bad.  
There was a lump raised on my collar  
bone, and it was a long time before it  
broke like a boil. The doctor said I  
would have to lance it in a few days, but  
I thought I would attend to that myself.  
I put a little of your medicine on it and it  
opened, then I put a poultice on and then  
saw, and kept the salve on all the time.  
It got so bad, and spread under my left  
shoulder, and one place under my left  
breast. Then there were two places on  
my head, one near the temple and one  
back of my ear that was just dreadful.  
No tongue can tell what I suffered. My  
head felt so strange sometimes, I thought  
I was going crazy. Since I have used  
the PERUNA (I don't use the salve any  
more) my sores healed up right away.  
And oh, what a relief it is to get around  
without chilling and having to suffer with  
my sores. I feel like letting everybody  
know about it. Since I have used the  
PERUNA (I don't use the salve any  
more) my sores healed up right away.
